Statement made by Woo Tsung Foo

My name is Woo Tsung Foo. I am 43 years old and a native of Honan. My home is at 1116 Honanen Road. I am a follower of Dr Sun Yat Sen. I came to Shanghai in April 1913, in June 1913 I went to Nanking and was a recruiter for the army of Liu Yen and was with General Ching Hsin and took part in the defence of Nanking, which was captured by General Chan Hsin in August 1913. I left from that City and came to Shanghai where then I have been unemployed, I occasionally receive money from General Kwang Hsin sometimes $30 and sometimes $50 a month. In July this year I started to recruit soldiers for a rebellion and recruited 16 because I thought that the rebelling, then coming in Junk and other forces would defeat Shanghai and in such case I would command 10000 soldiers under Lau Jung Hong. These soldiers are now under Kang Hsin Ji. My commission was that when we had defeated Woosung Paotang, Tsa-Ding, Nanwan, and various places in the Province of Kiangsu. On the 25th of October 1916 I received $250 from General Kang Hsin Ji to distribute among the 16 men that I had recruited, after deducting $50 for my own expenses I distributed the remainder to the men. I did not share the money equally owing to some of the men going away from Shanghai and I thought it right to pay them advances Kong Ching Tang, Ding Kwo Liu,
